

Help us celebrate 45 Years of Popcorn Park Animal Refuge!

The inception of Popcorn Park began in September of 1977 when a raccoon entered our care after being badly injured by a leghold trap. Due to the severity of his injuries, the raccoon later known as Rigby, was unable to be released into the wild. Popcorn Park has grown immensely over the last 45 years and we are looking forward to continued expansion. Our five-year plan paves the way for future growth and allows us to help even more animals in need. Your contribution to our Celebration Journal is not only instrumental to the animals in our care, but honors animals past and memories created at Popcorn Park.
